The 19th Annual Selkirk College Gala will take place at Mary Hall, Nelson , Saturday November 22, 2008. The Gala has represented many things to the college over the past nineteen years; one being a venue to showcase the talents of our students to you, supporters of Selkirk College.

Every student who attends Selkirk College has a dream, a dream of a life as a musician, an artist, a hair stylist, a forestry worker or any number of amazing careers. By attending a Selkirk College event, you can be part of making that dream come true.

This year there will be a live auction , hosted by professional MC and auctioneer, Terry Alton. The silent auction will be housed in Scholars as in prior years, with an emphasis on the many amazing talents and skills of our very own college staff and community members. Last year over \$8000.00 from auction proceeds went to the Leo Perra Award; this year proceeds will go to the Athletic Program in support of student athletes.

The auction committee has developed a new program opportunity for donors to contribute to the success of the Gala. Selkirk College has joined the Aeroplan Pooling Program, which means you can donate your Aeroplan miles to our account which in turn become gifts for the auction. This is a great new fund raising initiative for Selkirk and we are happy to be in partnership with Aeroplan. Call Pat Henman at 250-505-1324 in the Development Department at Selkirk College to obtain more information on how you can be part of this new venture.

Come to Mary Hall November 22 and experience Selkirk College programs: Professional Cook Training, Resort and Hotel Management, Contemporary Music, Digital Film and Media, Athletics, and Aviation are just a few of the programs involved in making this a great community event.

Your support goes a long way to help students achieve their dreams.

Thank you.
