

# Experience Selkirk Day – Thursday, May 17, 2012

## Workshop Information Form

**What is Experience Selkirk Day?** ESD is an annual recruitment event where grade 10, 11 and 12 students are invited to come to Selkirk College, and experience what it's like to be a college student for a day.

### Who attends ESD?

- West Kootenay & Boundary high schools
- Mainly grade 10 students / Planning 10 classes
- Some grade 11's, fewer grade 12's
- Between 400-450 students attend this event

### Purpose of ESD?

- Provide a fun and informative environment where students can learn about Selkirk College program options
- Create a positive lasting impression

Name: \_\_\_\_\_ Telephone: \_\_\_\_\_

School and Campus \_\_\_\_\_

**Workshop title:** \_\_\_\_\_

**Workshops** - A balance must be met between providing a fun, interactive and engaging activity for grade 10 & 11 high school students. Each workshop should also include a brief explanation of admission requirements, course content, transferability & career potential. (List equipment used during the workshop to include in our registration package.)

**Workshop Description:** In 50 words or less, please describe your workshop. This description will be used on the high school ESD registration forms.

### Workshop Description Example:

General Mechanics - Come experience the raw power of a 30 ton mining truck, the thrill of an articulated loader, the cool satisfaction of turning the gears in an 18 wheeler. Learn what it takes to keep these "bad boys a rollin" and the limitless opportunities for an exciting career in Heavy Equipment.

---

---

Max. # Students in workshop: \_\_\_ Each workshop is 50-55 minutes in length.

Are you willing to offer your workshop: only once \_\_\_ 2 x \_\_\_\_\_ or 3x \_\_\_\_\_ during the day?
