- **WorkSafe**
 - **Possible 1**
- **Near Miss/Incidents**
 - **2**
- **Incidents of note:**
 - Ankle or foot injuries seem to be a common occurrence this month. Most from the gym users (5)
 - Finger injuries are the next highest incident (2)
- Garbage bins freeze and thaw and result in water around the bin that can freeze and lead to slips and trips (Castlegar campus).

Action: Laura to follow up on the existing maintenance ticket.

Review Inspections:

Inspection list is currently being reviewed and compiled and will be presented next meeting.

- The updated list is available on the moodle site – February is Heather and Jason.

3. **Training** – JOHS Training for members (ongoing). Please visit the moodle site for links to training opportunities.

- <https://eao-employersseminars.labour.gov.bc.ca/> is a great resource for free seminars

New Business:

1. Pushing awareness campaigns regarding slips and falls as well as flu and colds.
 - Health and Safety is working on this campaign.
2. Phone lines – First Aid
 - First Aid phones are down due to Mitel with IT – IT is running updates to hopefully rectify the issue.

**Combined JOHS Committee Minutes
January 26th, 2023
Zoom, Staff Lounge, Castlegar Campus, 2 pm**

- First Aid cards by every light switch are the most up to date and accurate.
- Encouraging callers to call 911. If someone attempts to call at the moment, they will be directed to call 911.
- Workaround is for staff to be familiar with the call list that is found on MySelkirk.ca. First Attendants are listed online, and employees are encouraged to get familiarized with their FA.
- The information online is not very clear.

Action: Cory to get the "First Aid Attendants" on the MySelkirk page more noticeable.

3. Crosswalk – Castlegar Campus

- Between the gym and main campus crosswalk, there was a work trailer and a dumpster on the crosswalk. Can it be recorded when there is work being done that impairs the crosswalk visibility, can it be made aware?

Next meeting: February 23, Zoom or Nelson Silver King boardroom
