- <https://eao-employersseminars.labour.gov.bc.ca/> is a great resource for free seminars

**New Business:**

1. Pushing awareness campaigns regarding slips and falls as well as flu and colds.
  - H&S continues to work with Marketing and Communications on awareness campaigns
  - With the freeze thaw cycles, we are experiencing right now, even with spreading salt and sand, it is difficult to prevent slips and falls. It is important to remind people to take precaution.
  - COVID numbers have remained flat since May of 2022, the province has seen an increase in cold and flu, and RSV – both peaked earlier in November than expected and are hanging on longer. Continue to follow the communicable disease plan and stay home if unwell.
