## SELKIRK COLLEGE IS **A SCENT-SAFE FACILITY?**

Scented products may cause dangerous health reactions in individuals with environmental/chemical sensitivities.

The health and well-being of students and employees at Selkirk College is important! Help keep Selkirk scent-safe by eliminating the use of heavily scented products including:

- x perfume
- x body powder
- x cologne/aftershave
- x body spray
- x lotions/creams
- x and others ...

# It makes scents ...
