

# BCGEU STUDENT EVALUATION OF INSTRUCTION FORM

**DIRECTIONS**

Instructors are continuously working on their lessons so that students can learn more! This survey will be summarized by administrative staff and provided anonymously to your school chair and instructor AFTER your grades have been submitted.

- Your instructor does not have access to this site.
- Your name is not connected to the feedback you give.

Please focus on this one specific course when you are answering the questions. It should take no longer than 20 minutes. Thank you. Your participation will improve the course for future students.

.....

|                                |
|--------------------------------|
| Course Name, Number & Section: |
|--------------------------------|

.....

|  | ALMOST ALWAYS | MORE THAN HALF THE TIME | HALF THE TIME | LESS THAN HALF THE TIME | ALMOST NEVER |
|--|---------------|-------------------------|---------------|-------------------------|--------------|
| 1. The instructor showed interest in my learning.  |               |                         |               |                         |              |
| 2. The instructor used time effectively.   |               |                         |               |                         |              |
| 3. The instructor was prepared and organized.  |               |                         |               |                         |              |
| 4. The instructor returned my evaluations within a reasonable time frame.  |               |                         |               |                         |              |
| 5. The instructor was available to answer my questions and/or discuss concerns.  |               |                         |               |                         |              |
| 6. The instructor helped me become a better learner. (Some examples may include how to study, use learning materials, and give and receive feedback.)    |               |                         |               |                         |              |
| 7. The instructor communicated in a way I could understand.  |               |                         |               |                         |              |
| 8. The instructor encouraged me to express my ideas.   |               |                         |               |                         |              |
| 9. The instructor encouraged me to consider the ideas of others.   |               |                         |               |                         |              |
| 10. The instructor helped me learn more about myself. (Some examples may include the ways you learn, what you want to become, how you present yourself.) |               |                         |               |                         |              |
| 11. The instructor made everyone feel included. (Some examples are including all genders and cultures.)  |               |                         |               |                         |              |

.....

12. Did the instructor provide opportunities for me to apply my learning?  Yes  No  
 (Some examples may include providing labs, community projects, case studies, and simulations.)

If yes, describe these opportunities to apply your learning.
