

# Social Service Worker

*Enter the Social Service Worker (SSW) Certificate Program and choose a flexible career with many options. Join a profession that values your experience, puts your empathy to work and satisfies your desire to make a difference by empowering others!*

## HELP OTHERS. HELP YOURSELF.

Does your compassion define you? Do you stand opposed to the injustices of our world? This sense of caring may come naturally, or perhaps your life has been touched by adversity – addiction, disability, abuse, illness – and it kindles your passion to be there for others. You know who you are and what you stand for. Your personality and life experiences are valuable to employers in the caring professions. Transform your strengths into a career with the Human Services Social Service Worker Certificate from Selkirk College.

Complete your 9-month Social Service Worker Certificate and go on to work in a variety of areas, and/or attend a second year to complete your Human Services Diploma.

## INTERACTIVE LEARNING ENVIRONMENTS

Courses are offered in a mixed delivery format, with many courses available online.
