

Hairstylist

Our professional Hairstylist program will teach you how to become a professional hair stylist, armed with the skills you need to keep your clients' tresses looking sleek all year.

Our professional hairdressing program gives you detailed training on everything you'll need to know about getting hair healthy from root to tip and keeping your clients coming back for more.

GET PROFESSIONAL RESULTS

From hair structure and chemical composition to colouring and styling, we'll give you a broad overview, plus train you in workplace and client communications that you'll be able to put into practice in weekly commercial salon practicum.

- An understanding of sanitation
- Infection control
- Hair and scalp care
- Precision haircutting
- Hairstyling
- Hair colouring
- Chemical texturising
