- Mathematics
- Physics
- Rural Pre-Medicine
- Statistics

+ selkirk.ca/uas

"The strength of the Rural Pre-Medicine Program is the community within the program itself. The positive skills and habits that one is encouraged to build through the Rural Pre-Medicine (RPM) program helps me develop what is needed to succeed not only academically, but in anything I do in life. Through diverse and comprehensive courses, along with the additional coaching and preparation, I am acquiring the essentials needed for what I will be facing down the road in my pathway to medical school."

JACE LAMOUREUX, 2020 FIRST-YEAR RURAL PRE-MEDICINE STUDENT
