You are unique: Your style, your interests, your dreams. Don't settle for an ordinary college experience.

Discover a place where your craft becomes career, where the difference you want to make in the community is truly understood, where your classroom is in 30 cm of pow! Picture yourself looking forward to Monday, meeting that person who will become your friend for life, finding a program you're excited to start and landing the job you want right after grad.

Experience unique at Selkirk College.

Richness in culture, sense of place, wellness over wanting, progressive attitudes and creativity.

Experience all four glorious seasons with year-round weather that will fuel your soul.

World-class recreation, minutes away, no matter which way you venture, no matter what your pleasure.

Enrich your learning experience.

We welcome your enthusiasm as you begin a memorable journey at Selkirk College. Become part of our vibrant campus community and foster personal growth as you pursue your post-secondary education. Create memories and build connections that will last a lifetime.

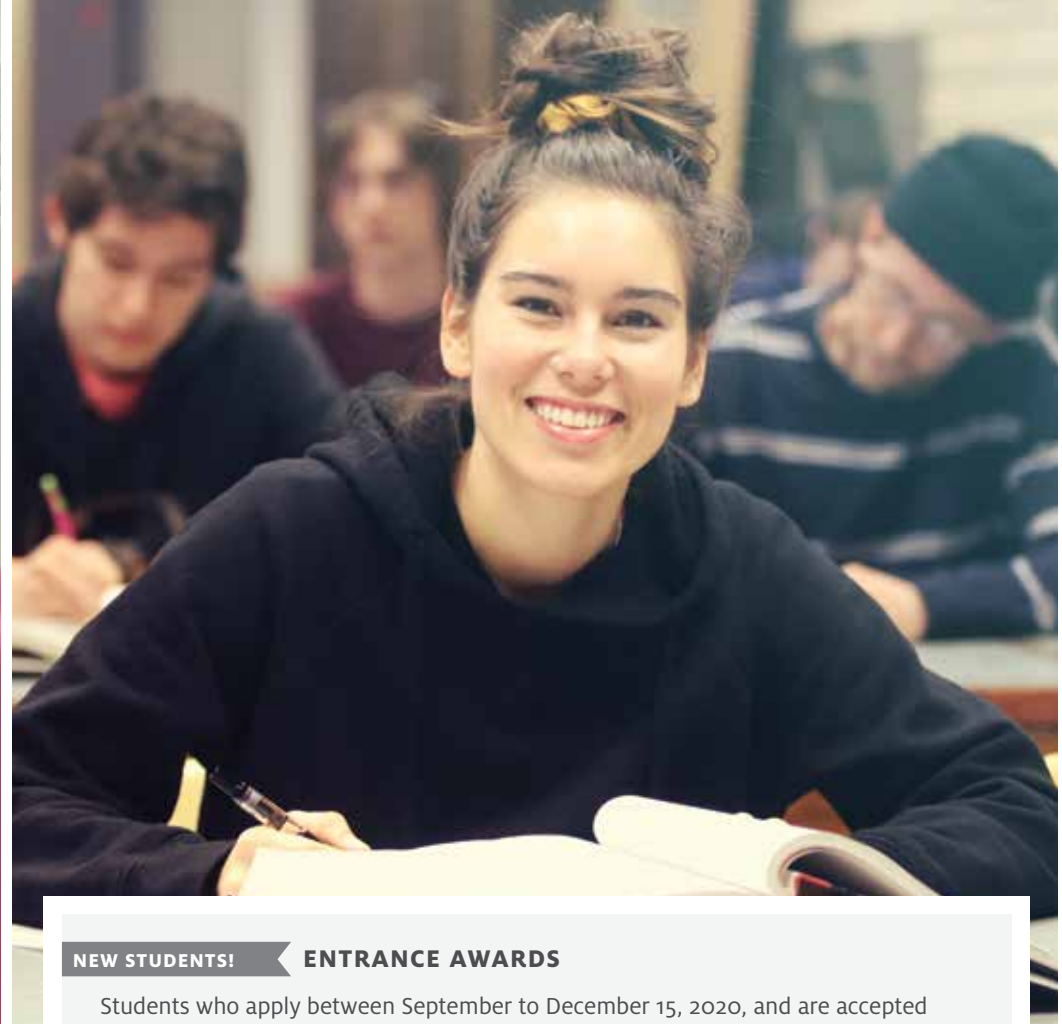

- Take on leadership roles.
- Explore new interests and talents.
- Enjoy free fitness & recreation activities.
- Relax by the river, lake or creek between classes.
- Make life-long friends.
- Experience Get Connected.
- Cheer on the Selkirk College Saints hockey team.
- Join a Selkirk trip to the hot springs or ski hill.
- Hike the network of trails on campus and beyond.
- Find a career mentor.
- Foster social activism through the Mir Centre for Peace.

Whatever you decide to do, Selkirk College is more than just textbooks and studying.

"I have a lot of ideas and I want to have an impact... This program really opens up your eyes to the extent of the industry. Going in, I had a lot of experience, but I didn't know how far I could go and all the opportunities that exist."

**SPENCER TAPANAINEN,
RESORT & HOTEL MANAGEMENT PROGRAM
2020 GRAD**

Discover affordable education.

Funding your post-secondary education doesn't have to be stressful or overwhelming. At Selkirk College, we offer a range of scholarships, bursaries and awards to assist you in financing a quality education and living costs while recognizing academic and community achievement.

WE BELIEVE POST-SECONDARY EDUCATION SHOULD BE ACCESSIBLE TO ALL

Financial support is available from the moment you apply to Selkirk College to the moment you complete your program or transfer to another post-secondary institution to complete a degree.

UNIVERSITIES (BC)

SELKIRK COLLEGE

EDUCATION THAT'S AFFORDABLE

By choosing to attend Selkirk College rather than university, you can take some of the financial strain out of post-secondary learning.

Explore unique opportunities.

Add value to your certification to enhance your employability. Bolster your work-readiness skills through hands-on training, work experience and career education. Discover the importance of work-integrated learning and continuing your education with Selkirk College supports.

APPLIED RESEARCH AND INNOVATION

Selkirk College's Applied Research & Innovation Centre is at the leading edge supporting economic development, technology adoption and rural capacity building. You can benefit from the expertise housed here through co-op placements, capstone projects and connecting students with SMARTS and Teck Serv research funding. Our GIS programs are also hosted here.

+ selkirk.ca/applied-research-innovation

CO-OP EDUCATION & EMPLOYMENT SERVICES (CEES)

If you are in one of our seven co-op eligible programs, you could earn school credit while working in a position relevant to your learning and future career goals. Reinforce your classroom knowledge and make connections that can take you far.

+ selkirk.ca/cees

"The summer after first year, I worked for BC Timbersales, a forest company operated by the government. There, I learned how to build relationships with people in the office which I think was a most invaluable thing."

DANNY BURGEL – FOREST TECHNOLOGY STUDENT

Countries and regions with Selkirk College Study Abroad exchange agreements

STUDY ABROAD

Where will your studies take you? Incorporate an international experience into your education. Learn a new language and discover other cultures while exploring the world! We've got you covered – Selkirk College will be there to help you when you need it – before you go, while you're away and once you return.

Want to work abroad? Practicums, internships and work opportunities are available. Want to transfer abroad? You can do that too.

+ selkirk.ca/study-abroad

"Studying abroad through Selkirk College was a dream. It's changed my life. At Nagoya University of Foreign Studies (NUFS), everyday there were new events and opportunities to join in on. From cultural activities like pottery making, music, flower arranging and tea-ceremonies to festivals and sports like kendo or scuba diving; NUFS had it all. Selkirk College's study abroad opportunities aren't just an opportunity to study, they're an opportunity to live your dreams."

CASSANDRA VIRTUE, TESOL GRADUATE AND STUDY ABROAD ADVENTURER

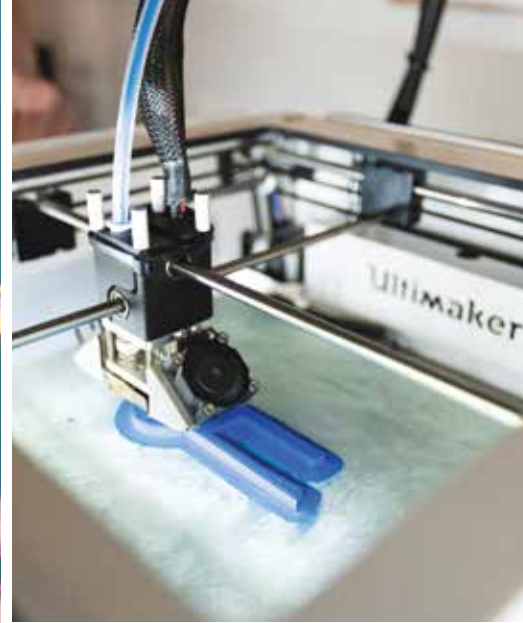

I matter here.

"The best part about studying at Selkirk College was the instructors as they genuinely care about your success. They help guide you in the right direction, and push you further than you ever thought you could go. I had never worked with animation before going to Selkirk College but I knew it was something I was very interested in. The Digital Arts Program helped me understand how animation works down to a science."

- Community Health Worker
- Community Support Worker
- Early Childhood Carer
- Educational Assistant
- Mental Health Worker

I matter here.

"For many people, Selkirk College is a place where you come to figure it out. The instructors care so much about what they are teaching, but they care just as much about the person who is learning. They can connect with people at where they are in their lives and with their learning, and they help push you in the direction that you need to go. All the great instructors I have had over the last two years have helped mold the way I learn and made changes to the way I think for the better. I quickly discovered that when you are learning about something you really enjoy and care about, you really want to learn."

INDUSTRY & TRADES TRAINING

Desk jobs aren't for everyone. Do you value hands-on work in a career with great earning potential? Do you want to see direct results from your efforts and have your skills provide incredible value? Thousands of job openings are expected in the skilled trades in coming years with employment opportunities offering diverse work in a variety of industries.

FOUNDATION PROGRAMS

Learn through practical shop experience and theoretical classroom training to develop the skills and knowledge necessary to start as a working apprentice in:

- Carpentry – 24 weeks
- Electrical – 24 weeks
- Fine Woodworking – 36 weeks

- Hairstylist – 36 weeks
- Heavy Mechanical – 36 weeks
- Metal Fabricator – 23 weeks
- Millwright/Machinist – 36/30 weeks
- Welding – 28 weeks

+ selkirk.ca/trades

PRE-EMPLOYMENT CAREER PROGRAMS

Plant Operator – 24 weeks

Through a combination of 18 weeks of class/shop with six weeks of work experience, you will develop entry-level skills that are required to monitor and control equipment and process units in large industrial plants. There is excellent local employment and salary potential for graduating students.

+ selkirk.ca/plant-operator

Sources: ¹ British Columbia 2022 Labour Market Outlook

² Trades, transport and equipment operators and related occupations: 160,000 expected job openings by 2022.

³ Top occupations for job openings to 2022 in British Columbia (requiring post secondary training)

I matter here.

“My grandfather was a big motivation in choosing this trade. I got to see how good he was at using his hands and how efficient he was in the shop. It made me want to strive to be better in any shop environment.

Millwrights and machinists can work their way around any problem, that makes it a satisfying trade to pursue.”

– BUZZ GACH,
MILLWRIGHT/MACHINIST
FOUNDATION PROGRAM

YOUTH TRAIN IN TRADES

AVAILABLE TO STUDENTS:

- Grade 12
- ages 16 to 18-years-old
- who have not achieved high school graduation

Participating students are registered as an apprentice with the Industry Training Authority and their school district is their sponsor. Speak to your high school counsellor to learn more and visit the ITA website:

+ youth.itabc.ca/programs/train

Start toward your Foundation/ Apprenticeship Level 1 Technical Training in a variety of trade areas.

High school students receive a combination of practical, hands-on and theory-based training leading to graduation and recognized industry certification.

SOAR (STEPS TO OPPORTUNITIES, ACADEMICS, & READINESS)

Selkirk College has a diverse offering of programs to meet the learning needs of adult students. There are many options available that lead to certification and develop transferable skills for adult living and employment.

+ selkirk.ca/SOAR

Expand your horizons.

INTERNATIONAL EDUCATION

International experiences are a great way to learn about yourself, your culture and see the world from a new perspective. Integrate an international experience into your study plan.

Use Selkirk College as your launching pad to the world.

STUDY ABROAD

Learn a language, get credit toward graduation, travel the world.

WORK ABROAD

Practicums, internships and work opportunities are available.

TRANSFER ABROAD

Complete your degree.

SELKIRK INTERNATIONAL

Selkirk International provides full support for students from around the world and close to home. Assistance is provided with study permits and visas, medical coverage, tutoring and academic advising, homestay and student housing.

+ selkirk.ca/international

ENGLISH LANGUAGE PROGRAM

The English Language Program (ELP) develops and refines English language skills for university or advanced studies, professional and career opportunities, or personal growth. It is a comprehensive and flexible multi-level program that combines core English language skill area practice with high-interest seminars. On successful completion of Advanced English Level and College Composition, students can enter other college programs without a standardized language test such as IELTS.

+ selkirk.ca/esl

TESOL ADVANCED DIPLOMA AND CERTIFICATE PROGRAMS

The Selkirk College TESOL Advanced Diploma program is for students interested in teaching English as a second or foreign language either domestically or internationally. Classes are offered in one intensive semester of study. Upon completion, students are eligible for TESL Canada Professional Certification.

+ selkirk.ca/tesol

"Taking the TESOL program at Selkirk College was the first step to beginning my career in a meaningful and gratifying international setting... If you have a passion for international development, travel and authentic engagement with international students, I highly recommend connecting with Selkirk International to see the world of opportunity that awaits you."

EMILY KANDBORG,
TESOL GRAD

"I chose Selkirk College. After hearing about it, I couldn't focus on anything else. I loved everything. The instructors here are confident and teach valuable lessons. The connection you make to community is also very important."

JUNSEOP HAN, ELP AND
RESORT AND HOTEL
MANAGEMENT 2019 GRAD

INTERNATIONAL CULTURAL EXPERIENCES ARE AVAILABLE RIGHT AT SELKIRK COLLEGE

- Apply for work and become a cultural assistant and welcome visiting students
- Volunteer as a cultural partner and share languages and experiences with visiting students
- Learn an international perspective right in your classroom with the international community studying alongside
- Make a new friend from across the world

"My two years in the Business Administration program at Selkirk College was the starting point that lead me to study abroad in Paris and eventually decide to transfer abroad to complete my BBA. From the small class sizes to the beautiful Kootenay region, Selkirk College offers something for everyone. I've had an incredible experience living and studying in Paris, and I wouldn't have been able to do it without Selkirk College."

VANESSA FORD,
BUSINESS GRADUATE

I matter here.

"The best part of studying at Selkirk College was the practical and applicable curriculum that enhanced my career. The college environment, with small class sizes and personable instructors, made my learning experience meaningful. Selkirk College helped me reach my career goals by having current course subject matter that was relevant to GIS work directly and deepening my understanding of environmental sciences. I use programs and concepts from GIS training in my everyday deliverables and apply hydrology knowledge to create realistic hydraulic models with environmental data."

Remember, you may fit in with more than one program. Do you want to explore further? Our Selkirk College recruiters can help you find your program, your career and what makes you unique. Contact us at hello@selkirk.ca

Ready to Apply?

Applications are accepted 12 months preceding the start date for most programs. Students are accepted on a first-qualified/first-accepted basis, upon completion of all admission requirements. **APPLY EARLY TO AVOID DISAPPOINTMENT.** Need help? Contact: admissions@selkirk.ca

Choose your program

Whether you are a student starting your college journey, returning for additional training or registering for preparation courses, Selkirk College offers you a variety of options.

Review the admission requirements

First time applicants must complete the College Readiness Tool (CRT) and provide evidence that they have met the College general and specific program requirements.

Complete the application

Apply in person, by mail or online through APPLYBC. Pay the non-refundable application fee in order for your application to be processed. Visit selkirk.ca/admissions/admissions-office/application-process-information

Include your documentation

Include your transcripts from high school and any post-secondary institutions. Enrolled in high school? Please provide an interim transcript.

Pay the seat deposit

Hold your seat by paying the non-refundable seat deposit as soon as you get your letter of acceptance or conditional acceptance.
