UNIVERSITY ARTS & SCIENCES

I'VE ALWAYS WANTED TO **FOCUS ON LEARNING.**

Get a strong start in post-secondary by beginning your degree in a small, close-knit environment where you won't get lost in a crowd. Choose from more than 100 courses with interactive classes and experiential learning opportunities, and learn from published authors, groundbreaking researchers and highly qualified academics. Courses transfer to BC universities.

FEATURED PROGRAMS

ENGINEERING TRANSFER

1-YEAR CERTIFICATE

Engineering is a solid career path leading to high-paying jobs and satisfying work. You'll learn how to make your mark on physical structures in our first-year Engineering Transfer (Applied Science) Program. By starting your studies with us, you'll get a strong background in math and physics and a firm foundation for your degree's remaining three years.

Courses at Selkirk College felt different than others I had taken in other places. From day one, I was immersed in a community of people who were just as passionate about creative writing as I was. My instructors, were incredibly supportive and encouraging.
